

# Responsible Citizenship in a Digital World

## Protect Yourself

I will not publish my personal information such as my contact information and my schedule.

## Respect Yourself

I will select online names that are appropriate.

I will be thoughtful about the images and information that I post online.

## Protect Others

I will know where to find our school district's Bullying Prevention & Intervention Plan

I will report cyberbullying

## Respect Others

I will not use technology to bully or tease others.

I will not participate in cyberbullying by posting inappropriate information or pictures.

## Respect Intellectual Property

I will request permission to use resources.

I will cite any and all use of websites, books, media etc.

I will acknowledge all primary sources.

I will validate information.

I will use and abide by the fair use rules.

## Protect Intellectual Property

I will request to use the software and media others produce.

I will use free and open source alternatives rather than pirating software.

I will purchase, license and register all software.

I will purchase my music and media, and refrain from distributing these in a manner that violates their licenses.

I will act with integrity.

Source: [Digital-ID](#) created to provide students, teachers, and administrators with a toolkit of reliable information, resources, and guidelines to help all of us learn how to be upstanding Digital Citizens who maintain a healthy Digital Identity (ID) in the 21st Century.
